Beginning on **2nd November 2020** and following a review that took place on the **30th April 2021**, Lamberts London Limited has reviewed and further extended its temporary reduction on **Minimum Order Charges** until **30th September 2021**.

This change is a reflection of the current global economic uncertainty and to help foster mutual growth during these difficult times.

*Minimum Order Charge:
The Minimum Order Charge permits only **one** type of service/ process per order, i.e. Metal Stripping/ Finishing/ Plating/ Coating/ Testing

**[0.4] Testing includes:
- Detailed Report
- Colour Photographs
- Carried out against a recognised quality standard (See QMF 20 for more information)
